2. Click Google Sign in

The image shows the login screen of the SAFE app. At the top, the word "SAFE" is displayed in large, bold, black letters, with "IIT Bombay" written below it in a smaller font. Below this, the app's version and build date are listed: "Current Version : 2.8.12" and "Build Date : 06 Jul, 2019". A section titled "Select Institute" has "IITB" entered in the dropdown menu. Below this are fields for "Username" and "Password". The password field has a red eye icon to toggle visibility. To the right of the password field is a checkbox labeled "Save Password" which is checked. Below the password field is a blue "LOG IN" button. Underneath the button is a separator line with "OR" in the center. Below the separator is a Google Sign in button, which features the Google logo and the text "Sign in". This Google Sign in button is circled in red, with a red arrow pointing to it from the bottom left. In the bottom right corner, there is a green gear icon for settings.
